

Lesson 96

Teacher Instructions

Read the words in **bold** out loud to your learner.

Now we are going to learn another way *i* can sound.

You already know that *i* can say *i* like in ***insect*** and *I* like in ***ice***.

But sometimes, *i* needs a helper to say *I*. That helper is the silent *e* at the end of the word.

Practice reading these words. Point to each word as you read it.

Now let's learn two new words: ***give*** and ***live***.

These words have the *i_e* pattern, but they don't follow the usual rule.

The *e* in these words are a *silent e*, but the *i* doesn't change. It's the normal *i* like in ***insect***.

These are memory words.

Practice reading these words. Point to each word as you read it.

After the Lesson:

Read a book aloud to your learner.

Point to each word as you read.
